

GRADUATION PROJECT PRODUCT PROPOSAL

Name (Print): Nicole Bond English Teacher/Block: Danehower

Research Topic Information:

Graduation Project Question (Big Idea): Do special needs kids benefit from involvement in regular high school sports?

Product Information:

Detailed Description of the Product: helping kids w/ disabilities at the miracle league + going to volunteer at EMS in special needs class

Location of Product: Johnston Community Park + Riverwood Middle

Time Needed to Complete Product: 20 hrs.

Community Involvement in Product:

Learning Stretch for the Student: Its hard for me to interact w/ special needs kids on a personal level and to really be friends with them.

Mentor Information (Name, Address, Phone, Email, Occupation): Monty McClamb
90 Meadow Hills Dr. Four Oaks, NC 27524 (919)-291-1797

Parent Statement:

The parent or guardian should describe why he or she thinks the chosen Product is appropriate for the student. What does the student already know about completing the Product? How will this Product build on or create new knowledge for the student?

Nicole has done miracle league before and really enjoys it, getting more involved w/ special needs kids will allow her to learn how to interact w/ them better.
