

GRADUATION PROJECT RESEARCH TOPIC PROPOSAL

Name: Nicole Bond English Teacher/Block: Peake 1
(print)

RESEARCH TOPIC INFORMATION

Graduation Project Question (big idea):

Is there enough done to involve special
ed kids in athletics?

I will need to answer these questions to determine the answer to my GP Question (small ideas):

Are there any laws to do with the involvement?
What programs are available for special needs?
Are special needs given equal opportunities.

My rationale for choosing this topic:

I'm involved in athletics and wanted to
pick something that I could relate to.

This topic will be a learning stretch for me because:

I've never really interacted with special
needs child when it comes to athletics.

PRODUCT INFORMATION

Detailed description of potential Product

(location, expenses, materials needed, community involvement, reason for choosing this product):

I would like to volunteer at the
Miracle League and make scrapbook or
powerpoint showing my experience +
what I gained from the kids and
how they could be apart or not apart
of regular athletics.
